Sir:

Applicant discloses to the Examiner under 37 CFR 1.56 and 37 CFR 1.97-1.98 the information listed on the attached form PTO/SB/08A. This information may be found to be material to this invention under the current applicable patent law and as interpreted by the USPTO Rules, as cited above. Review and consideration of the listed references/information during substantive examination of this application is respectfully requested.

Applicant specifically emphasizes that this statement, and/or the act of identifying this information, is not to be construed as an admission that any or all of it is prior art to the specific invention disclosed and claimed.

With regard to the foreign language patent documents cited, it is believed that the English Abstract or title fulfills the requirement for a concise explanation of the relevance of each document.

Also nothing in this statement is to be construed as a representation that this is the only material information to be found, or the best. If additional material information is discovered in the future, a prompt submission will be made to fulfill Applicant's continuing duty of disclosure.

Although no fees are believed due, the undersigned authorizes the deduction of any necessary fees from Deposit Account No. 11-0978.

Respectfully submitted,
